

Christmas 2012 Newsletter

from Bridget, Malcolm, James & Matthew

HOLIDAYS

We went to France - the Loire valley - for summer holiday, visiting châteaux, museums, the Eiffel Tower and (of course) a zoo. Bridget and Matthew went kayaking, and we all enjoyed the swimming pools

OLYMPIC FUN

We didn't get tickets for the Olympic Games, but did watch the action on the big screens in Winchester and Coventry

We did get tickets for The Paralympics, and spent a very enjoyable sunny day at the Olympic Park at Stratford

ROCK IDOL

Matthew enjoys playing guitar....
... in church ..and in the school rock band

FOSSIL HUNTER

James had a fantastic week with the staff of the Natural History Museum, for work experience. He was inspecting fossilised fish jaws for signs of predation

WALKING AND WORKING

Bridget went walking again, this time along the Ridgeway (87 miles) with friend Sue

Bridget's work picked up, with a regular 3 days a week making CRUK a safer place to work

ACADEMIA

Academic prizes for Matthew (science), James (progress) and an MSc for Bridget

Matthew moved up to Thorpe House Senior School (one day we'll get a good school photo of James)
